Pinwheels in the Park: Planting a Community Garden for Children

APRIL 13, 2019 (Rain or Shine)

LEBAUER PARK | 2:00pm-4:00pm | Downtown Greensboro

Why Pinwheels?

Prevent Child Abuse America introduced the pinwheel as the new national symbol for child abuse prevention through Pinwheels for Prevention®. April is nationally recognized as Child Abuse Prevention Month. The Pinwheel represents the joys of childhood and promotes the awareness that **ALL CHILDREN** deserve to be safe and well.

Each year, we partner with law enforcement, social services, community service organizations, businesses, children and families to take part in this national movement. This **family-friendly** event will include **park fun, games, information and resources**, and most importantly – **a community standing together to say that child well-being is important!**

So, grab your kids of all ages, plant a pinwheel, and enjoy an afternoon in the park together!
