## WHAT WE OFFER

- Victim Advocacy Services and Patient Navigation (Case Management)
- Clinical Assessment, Treatment (Therapeutic Counseling), and Peer Support
- Youth Leadership and Empowerment Programming
- Community Mobilization and Outreach (Systems-Level Evolution and Change)

## OUR GUIDING PRINCIPLES

**Safety:** Assisting with physical and emotional safety and wellness.

**Restoration:** Restoring hope and fostering the unique talents and gifts of each individual to be fully empowered.

**Healing:** Overcoming difficulties and developing peaceful solutions.

**Wellness:** Helping individuals create a sense of balance and stability in their lives by integrating physical, mental, social, and spiritual well-being.

## FAST FACTS

- ✓ Federally-recognized trauma recovery center, one of only two National Child Traumatic Stress Network (NCTSN) sites in North Carolina.
- ✓ Serve over 10,000 people per year who otherwise would not have access to care.
- ✓ Creator of Resilient Guilford, an action-oriented trauma resiliency network made up of over 30 community partners, businesses, and leaders to provide a coordinated behavioral health response.
- ✓ Creator and leader of the Child Response Initiative (CRI), a partnership program that has been nationally replicated and shown to address the needs of children and families exposed to violence.
- ✓ Recognized by the Center for Excellence on Integrated Care as having a top-rated Dual Diagnosis Enhanced Capability to provide integrated mental health and substance use treatment services.
