

Greensboro HEALS Counseling Services

Greensboro HEALS provides high-quality, evidence-based counseling services to people who meet the following criteria:

- 19-64 years old
- Have co-occurring mental health and substance use challenges. Co-occurring disorders can be things like having anxiety or depression and using alcohol, tobacco, or other drugs to help you cope.
- Uninsured without access to care
- Underinsured and orange card pays significantly reduced rate

What Services Are Available?

- Comprehensive clinical assessments
- Individual, couple, group, and family therapy
- Patient navigation and case management (as available)
- Psychological consultations
- Psychoeducation groups

Funding provided by the Cone Health Foundation. Cone Health Foundation has as its mission to invest in the development and support of activities, programs and organizations that measurably improve the health of people in the Greater Greensboro Area.

Recovering YOU Therapeutic Support Group

We offer a variety of groups that provide support and hope in a confidential setting. The Greensboro HEALS program offers recovery-oriented group therapy programs called **Recovering YOU**.

These therapeutic groups are led by a skilled clinician. You will learn about self-care, nutrition, boundaries, and all things recovery from both mental health and substances.

**Free (or reduced)
for all attendees!**

HOPE Peer Support Group

H.O.P.E. (Healing Opportunities and Personal Encouragement) provides a safe place to instill confidence and well-being.

Led by trained peer facilitators, *H.O.P.E.* provides a recovery-focused peer support group for adults with mental health and/or substance use concerns.

Learn more about strategies to cope and manage symptoms and challenges that you may have, and share and connect with others who may have similar struggles.

Making a Difference Together!

About Us

We are a nonprofit (501c3) organization that supports individuals, children, and families toward safety and wellness. We provide a variety of services that are categorized into four main areas:

- Victim Advocacy and Patient Navigation
- Clinical Assessment, Treatment, and Peer Support
- Youth Leadership and Empowerment
- Community Outreach and Mobilization

What Makes Us Unique?

- Services are geared toward those who otherwise would not have access to care (private pay services also available)
- Services are available for individuals of all ages
- Services are free or reduced
- Services are integrated and focused on restoration and healing
