

Gregory Liggs Sr., CPSS, (Certified Peer Support Specialist), Certification - Addiction Specialist Trained, MHFA Instructor, (Mental Health First Aid - Instructor), NC Certified CHW, (Certified Community Health Worker). Gregory is originally from the small town of Reading, PA. However, he has resided and worked in Greensboro NC since 2002. Greg is married and has three children, 2 grandchildren, and one on the way. Greg has spent the last three years working for Triad Adult and Pediatric Medicine and NCFIT, (NC Formerly Incarcerated Transitions). His primary role as NCFIT CHW afforded him the opportunity to work with those returning justice-served citizens that needed assistance with connecting to healthcare. He specifically, connected patients to care, assisted with medication costs, connected SUD patients to counseling and MAT Treatment, connected individuals to employers, and overall patient advocacy.

In addition to his primary CHW role, as an MHFA Instructor, Greg was charged with training new and existing clinic staff to obtain their MHFA certifications. Greg's dedication, to working with underserved populations is always evident. Greg's motto is "Provide Hope to the Hopeless".

Personally, Greg enjoys watching and participating in sports. He has been a youth coach over the years and enjoys mentoring young athletes. Most of all Greg enjoys spending time with his family, laughing, cooking, and especially dancing with his granddaughters!
