

A native of Greensboro, Lee is an NC Certified Peer Support Specialist and certified QPR instructor. Lee first learned about Mental Health Greensboro during a hospitalization in July 2015 and shortly afterward started utilizing services. Lee began volunteering at Mental Health Greensboro in January 2018 to eventually be hired that October. Excited to be part of the Kellin team, Lee brings her own personal lived experience with physical and mental health challenges to the office and peers. When not in the office, Lee enjoys reading, studying, crocheting, playing video games, & spending time with her daughter & numerous pets.
