

Together, we can prevent child abuse.

We all have a role to play in building safe, stable, nurturing homes and environments where children can grow and thrive.

This April, in honor of National Child Abuse Prevention Month, Triad residents can help improve the safety, well-being, and wellness of our community's children and youth through our local Pinwheels for Prevention® efforts.

Why pinwheels? Prevent Child Abuse America introduced pinwheels as the national symbol for child abuse prevention.
